

# Indsættelse af virksomhedslogo på indkøbsordre:

Gå ind under opsætning hvorefter du går hen på fanen "øvrige" og trykker på "toplogo"

The screenshot shows the top navigation bar of the itn|vision system. The logo 'itn|vision' is on the left with the tagline 'solutions for one global market'. To the right are navigation links: 'Hjem' (Home), 'Opsætning' (Settings) with a dropdown arrow, 'Salg' (Sales) with a dropdown arrow, and 'WMS'. Below the navigation bar is a light blue header area with the title 'Toplogo'. Underneath is a file upload interface consisting of a text box containing 'Vælg fil' and 'Der er ikke valgt nogen fil', followed by a blue 'Upload' button. Below the text box, the text '(filformat .jpg)' is displayed.

Her kan du vælge dit billeds filformat efterfulgt af at uploade det.

Vi anbefaler at i benytter 1000x200 pixels.
